## EDUCATION

---

### NSUT East Campus formerly AIACTR

AUG 2019 – JULY 2023

*B.tech(cse) - Percentage - 81%*

*Delhi, India*

### JKG International School , CBSE

APR 2017 – MAR 2018

*12th(Science) - Percentage - 63%*

*Ghz, India*

### JKG International School , CBSE

APR 2016 – MAR 2017

*12th(Science) - Percentage - 76%*

*Ghz, India*

## PROJECTS

---

### Converter Case | HTML | CSS | JavaScript | ReactJS

- Crafted an immersive user experience with React Router for effortless page transitions, complemented by dynamic dark and white mode options, enhancing accessibility and personalization.
- Empowered users with versatile text conversion tools, including uppercase, lowercase, and capitalized case options, coupled with streamlined clipboard copy functionality for swift sharing and collaboration.

### Wheather App | HTML | CSS | JavaScript

- Crafted a sophisticated weather web application that harnesses the power of web APIs to deliver up-to-the-minute weather updates for any city globally, ensuring users stay informed and prepared for changing weather conditions.
- Engineered a seamless user experience by integrating web APIs seamlessly, enabling users to effortlessly access critical weather insights at their fingertips, enhancing their ability to plan activities and make informed decisions..
